Applicant (must be owner of property): Date.....

Applicant's Address:

Office #.....Emergency 24-hour phone #:

Description:

Desires the license or privilege to connect:.....

To a County Drain at.....

And to drain into such County Drain rain and unpolluted surface water from:.....

And agrees to execute a Drainage Agreement Form for such license or privilege.

Accompanying this application are three (3) sets of blue prints or drawings, prepared by licensed Architect or Professional Engineer, showing the proposed connection. Also, accompanying this application is a check payable to the County of Bergen for \$600.00 representing the fee for such license or privilege where the pipe has an inside diameter of 8" or less. This privilege is intended for the use of one sump pump with a rated motor capacity of less than ¼ horsepower, roof drains or a parking area of 7,500 square feet or less. A pipe with inside diameter of 8" or more will be subject to a fee to be determined by County Engineer. The County of Bergen reserves the right to revoke this license or privilege at any time if any adverse condition is caused by this connection to a county drain or pipe at the sole discretion of the County Engineer. In case a road opening in a County road is necessary to make the drain connection, the applicant agrees to apply for a road-opening permit and to pay such fee as is required by the Bergen County Operations Division.

Applicant is required to notify this office 48 hours before work is started to have county inspector inspect the work. Please use attached Construction Notice Form.
